North Koreans

PRAYERS

Pray that God's word will continue to spread and that enemies will be powerless to stop it.

Pray for strength, encouragement, peace, boldness and protection for North Korean believers.

Pray that God will give these believers opportunities to share the love of Jesus with their own people.

Ask God to create an openness to Jesus within the hearts of North Koreans.

Pray that believers under persecution would pray for and forgive their persecutors.

Pray that more freedom would be given for foreign organizations to enter North Korea to assist in food aid, education, health care and more accessible ministry.
