OVERVIEW

ALL NATIONS
INTERNATIONAL
reaching the neglected globally - the least, the last, and the lost

The Nubians, who originate from the Nuba Mountains in Sudan, can also be found in Egypt, Uganda and Kenya. Many have fled their home because of war and strife in Sudan. Several generations ago there were Christians among this people group, but a later banning of Christianity throughout Sudan resulted in many becoming Muslims again. Persecution remains. Currently, less than one percent are Christian in Sudan. Though there is a Bible translated into Arabic, there is no Bible written in the Nubian local language, nor any churches within their populations.

All Nations fieldworkers are discipling a female leader, who lives among the Nubians in Uganda. She has begun discipling other women, as well as the men in their homes. Their vision is to raise up Nubian leaders in Uganda and Kenya who will go to Nubian populations in Sudan and Egypt, where they hope to establish a future training base.

PRAYER POINTS

For the Nubian people, please pray that...

- wars, strife and COVID within the regions around the Nuba Mountains in Sudan will cease.
- Nubian leaders will be raised up who focus on the Kingdom and the discipling of leaders who disciple leaders.
- provision of training and necessary resources within the Nuba Mountains will help ignite a discipling movement among the Nubians.

Please pray for All Nations' Fieldworkers to...

- establish relationships with the Nubians in Kenya.
- facilitate holistic transformation for the Nubian refugees by providing necessary food, shelter, education, clothing, etc., an entry point for also sharing Jesus.
- help raise up female leaders who are passionate and share the Gospel wholeheartedly.
