## OVERVIEW

ALL NATIONS  
INTERNATIONAL  
reaching the neglected globally • the least, the best, and the last

According to the National Association of Evangelicals (and other organizations), as many as 63% of Christians worldwide come to know Jesus between the ages of 4 and 14. This timeframe is also when first impressions and emotional connections with the Church are made which can potentially last a lifetime and shape our thinking of the Church. In general, discipling children and youth have not been the focus of the Church worldwide, nor has training adults to reach and disciple children and youth been the focus of missions-sending agencies. This is unfortunate. Wherever youth and children live today, they are the future leaders of the Church.

All Nations' Hubs are actively focused on youth and children in the 4/14 Window with specialized trainings in Kansas City, outreaches among refugees in Hamburg, and ministries in London, England, Taiwan and the Czech Republic. Our fieldworkers include: ShuHua Wang, Lynn Dubwig, Alex Johannes, Keifer and Caity Lucchi, Chuy and Caroline Martinez, and Tracey Chen. In 2022, All Nations International identified "Winning Youth and Children" as one of its eight global strategic priorities. A working team was established to help serve the vision to disciple children and youth and equip those who work with them. Their dream is to win the next generation of youth and children to follow Jesus.

## PRAYER POINTS

*For those in the 4/14 Window, please pray for them to...*

- be seen by the adults around them and invited into their Church services, home groups, family activities, and daily routines
- experience God's love and accept Jesus as their Lord and Savior
- receive His forgiveness
- recognize God's voice
- love and obey Him
- share the Good News of Jesus and know they have a role in helping fulfill the Great Commission

*For All Nations' teams, please pray for...*

- more workers for the harvest
- increased prayer and focus on the 4/14 Window worldwide
- their helping of adults, older youth, parents and church members to feel confident and equipped in leading trainings focused on children and youth
- youth exchange scholarship funds so youth can both learn and serve in different locations
