OVERVIEW

ALL NATIONS
INTERNATIONAL

reaching the neglected globally - the least, the best, and the last

The Padhar of India are primarily agricultural laborers, who raise goats, feed cattle and work as commercial fishermen and trappers. They have predominantly practiced Hinduism and polytheistic idol worship. Many are illiterate with little to no education.

Among those in India served and loved by All Nations' fieldworkers is a remote group of Padhar. More than 1,500 families have heard the Gospel and about 600 have taken steps of obedience to follow Jesus. Through relationships, indigenous leadership have begun regular worship gatherings on their own. Currently, team members continue to stay in contact with the Padhar group remotely to pray and encourage them in their faith to rely on God with concerns or doubts they may have.

PRAYER POINTS

Please pray for the Padhar people...

- to continue in good faith, as some of them have been discouraged.
- that their leaders will persevere.
- to be anointed by the Spirit to boldly withstand the social pressures for being a follower of Jesus.
- that disciples will make more disciples from other villages and cities so that all the Padhar can have the opportunity to love and obey Jesus.
- that known believers will leave their idols and traditions of polytheism.

Please pray for All Nations' Fieldworkers to...

- maintain healthy relationships with the Padhar people.
- encourage each other and the Padhar, despite distance and other challenges.
- adjust well to their new surroundings, staying focused on God's purposes for their lives.
- remain healthy and strong, both spiritually and physically.
